

TrueMotion®
Adjustable for any lifestyle

NEW LINE – ON DISPLAY IN STORE

Discover personalised comfort with TrueMotion Adjustable Bed Bases TM1100 and TM600.
 Designed to support the way you rest and sleep best. Both models offer Zero-G, anti-snore, and head/foot lift settings, with memory presets for quick access to your favourite positions. TM1100 adds massage, under-bed lighting, dual USB-C ports, and app or remote control, while TM600 provides an easy entry into adjustable comfort with streamlined controls and app connectivity.

Grey or Linen Upholstery

4 Styles of Headboard to choose from.
 See in Store.

SURROUND For Adjustable Base
 Transform the base of your adjustable bed into something beautiful.

SURROUND For MotorLift Storage Bed Frame
 Built on a solid timber slat foundation, the Motorlift Storage Bed raises to reveal full under-bed storage.

CLASSIC Bed Frame
 A classically designed bed with reinforced timber slats to suit any weight mattress.

TrueMotion Luxury PILLOW TOP MATTRESS
 TrueMotion Luxury Pillow Top Mattress delivers premium comfort and support with a 5-Zone pocket spring system for spinal alignment and reduced partner disturbance. Gel-infused memory foam and bamboo-blend fabric offer cooling softness, available in Plush, Medium, and Firm. *Perfectly paired with TrueMotion Adjustable Bases.*
